

TOMMY JEANS | SPRING 2025

SPRING '25 TOMMY JEANS

For Spring '25, we are setting off on a nautical escape, tapping into our maritime roots in contemporary ways. From regatta-sparked design cues to light beachside layering, the season is a bold exploration of modernized coastal classics.

A palette of neutrals and blues is spliced with waves of yellow, green and warm orange. Mixing our nautical heritage with today's wardrobe essentials, the collection brings the Tommy signature to Spring dressing in new ways.
