FALL 2025

## TOMMY JEANS FALL 2025

Tommy Jeans begins Fall '25 with a celebration of our collegiate roots. Lightweight fabrics and light washes lean into the changing weather, capturing the vibe of a day spent wandering a campus in New York. Then as summer fades and fall settles in, it's time to layer up. Cozy textures, updated puffers, and the striking Americana denim wash are peak fall style, while bubble-print graphics keep our signature playfulness in full view. And with winter on the way, statement outerwear and party dressing have their time to shine. Bold, casual, and as Tommy Jeans as it comes.

As a preview of Winter '25, there's a also touch of the new Tommy Girl. Casual and preppy, the looks celebrate our iconic fragrance ads from the '90s. Consider it a taste of what's to come.
